* Facts for the first nine sessions are gleaned from the General Minutes and from the Conference Journal for those years, which is now in custody of the North Carolina Conference of the M. E. Church, South.

2* At this date the Conference had 19,469 white members, and 3,390 colored. Without consulting the wisdom of the latter, nearly the whole membership became part of a new church, organized in May, 1845, and called the Methodist Episcopal Church, South. Some entered the A. M. E. Church; some the A. M. E. Z. Church; some the Colored M. E. Church of America; but thousands gladly returned to the bosom of the old Methodist Episcopal Church, as it returned to the State.

3* At this session a new Conference—the Blue Ridge—was formed, with twelve preachers, 2,839 members and probationers, and 41 church edifices.

VIII. Reports of Presiding Elders

GREENSBORO DISTRICT

M. J. Bullock, Presiding Elder

Bishop and Members of the North Carolina Conference:

Dear Brethren: I am thankful to our Heavenly Father that I am permitted to submit my second annual report of the Greensboro District to this Conference. The Lord has blessed me with health, and I have been able to meet all the charges four times this year. I am glad to report that the District is improving. I began on my first round one week after the adjournment of the Conference, and found the brethren planning for their year's work, and we united as one to push the work on to success. The brethren have worked hard. Six charges were taken from this District last Conference. Five hundred and fifty-four members went to the Raleigh District. Summerfield, with 250 members, was added to this District. Two new charges were made last year out of two old ones, and one of these charges has worked well.

EDUCATION

I have tried to encourage our young people to attend one of our schools and read good literature, and most especially have I urged them to read our church papers. I have distributed a good number of tracts and sold several books and Bibles. I have visited and talked to our young people at Bennett College, and the District schools, and the Y. M. C. A's. Our people are realizing more and more the need of a Christian education, and a good many of them are seeking for it. The dining hall at Bennett is being covered. It will add much to the school. Drs. J. D. Chavis and J. P. Morris and the entire faculty are hard at work trying to raise money to enclose the dining hall. The last school year was quite a success. The commencement exercises were very good. This is the place for all Methodists. The school opened up with a good number and things are moving along nicely. We need money to carry on the work that is necessary to be done.

Kent Home was burned last December, but the Woman's Home Missionary Society has it in first-class condition. Mrs. Frost visited the home last winter and put in new furniture. The Woman's Home Missionary Society is doing much good for our people. The Woman's

Home Missionary Society of the Conference paid two girls' way in school, one at Kent Home, and one at Allen Home, Asheville. Let us as preachers and members see to it that our daughters enter one of these homes.

REVIVALS

Every charge has been blessed with good revival meetings. Some joined the church. I have urged the study of God's word and practice of the same.

TEMPERANCE

We have a temperance committee on each charge and some of them are doing good work. Many of our people are leaving off snuff, tobacco, and strong drink. We trust that the demon alcohol will be put under foot and the kingdom of God will rule in the hearts of all men.

BENEVOLENCE

I have urged the benevolence in all the Quarterly Conferences and congregations. The reports of the pastors will show an increase over last year.

TEMPORAL WORK

I have examined as many of our church deeds as I could get hold of and find that most of them are alright. I have urged that all of our churches be well insured. We have built two new churches this year on the District. We have bought three lots, one to build a parsonage on, and the other two for churches. We hope to build on them next year.

SUMMARY OF THE WORK

Central Randolph—A new church has been built, 28 x 44. The work is in good condition. Brother Laughlin, the pastor, is a faithful worker.

East Greensboro—The church at Bass's has been painted inside. The pastor has had good meetings.

The Empire—This charge has enjoyed good revival meetings this year. The pastor has worked hard with his people. They are trying to buy a church from the Presbyterians; it is a splendid building.

Greensboro—Brother S. A. Peeler, P. C. The pastor and his people enjoyed a good revival meeting this year. A large number joined the church. They are now hard at work trying to enclose the new church building. This will be one of the best in the Conference. It is a very large church—96 x 72. We are in much need of money to complete this new building.

High Street—Brother Lomax has stuck to his work this year and raised money enough to pay for the church lot. They are planning to build soon.

Jackson—J. H. Garrett, P. C. One church lot has been bought and the framing cut to build the church. He is a faithful pastor. His people ask for him back.

Leaksville Charge—Marcus Mundy, P. C. This work is in good condition. The pastor says this is the best of the seven years of his labor. We need a church building at this place very much, and hope to have one soon.

Ramseur—Brother P. J. Cook was assigned to this work one year ago. After Brother J. D. Diggs left Mt. Airy, four of the Presiding Elders met and had to make some arrangements for Mt. Airy. Brother Cook went to Mt. Airy, and Brother J. H. Lovell went to Ramseur. Brother Lovell is an excellent young man and served his people well.

Reidsville and Danville—R. W. Winchester, P. C. The Reidsville church is in a prosperous condition and moving on to success. They are raising money to build a church next year. We have not been able to do anything in Danville. We hope to open up in that town soon. Brother Winchester is a hard worker and a faithful pastor. His people want him back.

Reidsville Circuit—Brother G. F. Hill, Pastor. Brother Hill has been providentially hindered—sickness has been in his family nearly all the year.

South Greensboro—E. H. McArthur, P. C. This charge has had good revival meetings. The work is alright. Brother McArthur is a faithful pastor.

Summerfield—J. W. Jones, P. C. This charge is in a good condition. Brother Jones is a dutiful and zealous worker. He had good revival meetings. His people are building a parsonage at Summerfield. They ask for him back.

Wentworth Charge—R. D. Bethea, P. C. This charge has had good revival meetings; and bought some land to build a parsonage.

West Greensboro—C. E. Ball, P. C. This charge lost one church last spring by fire. The church was insured and the pastor in charge and the trustees went to work and have built another very neat church by Plan No. 1 B; all completed except painting. Brother Ball lost his home also by fire and nearly everything was burned, but the Lord kept him and his family. He is a faithful worker, and has the confidence of his people. They want him back.

DISTRICT CONFERENCE

The District Conference was held on East Greensboro charge. It was a good one.

The Epworth League and Sunday School Convention held at Summerfield, August 25, was a very helpful meeting. Rev. S. A. Peeler is the District president.

There are thirty-two churches on this District, and seven preaching places where we have no church. There are thirty-four Sunday Schools, and fourteen Epworth League Chapters. They all use our church literature.

We trust that this will be a pleasant and profitable Conference, and that we may be greatly inspired to carry forward the work, and that the Holy Spirit may guide all of our deliberations.

Yours for the Master's cause,

M. J. BULLOCK, P. E.

RALEIGH DISTRICT

J. P. Franklin, Presiding Elder

Dear Bishop and Members of the North Carolina Conference: I am glad and indeed thankful to our Heavenly Father that I am permitted to submit to you my first annual report of the Raleigh District. This District was organized by Bishop Joyce one year ago, and it is rightly the Mission District. It extends into Virginia, extending over some twenty-two counties, making it necessary to travel a distance of seven or eight hundred miles to make one round. I began with twelve appointments and nine preachers. We have added three preachers to the traveling list, organized two Sunday Schools and re-organized two old ones. Many of the pastors were new. I assisted nearly all the pastors in their revival meetings. I have made careful inquiry as to the deeds of our church property, to ascertain whether they conform to our discipline. I also urged upon the Quarterly Conferences the importance of insuring our church property.

NEEDS OF THE DISTRICT

In order to build up the Church in the unoccupied territory, we need some more of our strongest and best men; and they, too, to be clothed with the full authority of the Church—men of ability, with hearts full of the religion of the Lord Jesus Christ, rooted and grounded in the love of God; men with an ennobling ideal of the religion of Christ, and of work; men with a lofty conception of the dignity of the Christian ministry; men who are willing to sacrifice, and even to suffer, if need be, to plant the banner of the Lord Jesus.

TEMPERANCE

I have preached and lectured often on the subject of temperance. I am glad to say that many of our people are more and more realizing

the evil of intemperance, and many are breaking off from the demoralizing habits of intemperance.

EDUCATION

I frequently called the attention of our young people to the importance of attending some one of our schools, to prepare themselves for service. During the year I addressed the students of three colleges, and visited thirteen city and District schools.

EPWORTH LEAGUE AND SUNDAY SCHOOLS

Our District Epworth League and Sunday School Convention was held in connection with our District Conference with the Raleigh church, July 27-31. At this time the District Epworth League was organized. The names of the cabinet officers are recorded in our District records. At the same place and time the Woman's Home Missionary Society was organized, with Mrs. Emily Hunt, of Oxford, N. C., as the District president. The session was not so largely attended; but we all enjoyed a spiritual feast. We have eight Chapters and two Junior Leagues. There are twenty-two Sunday Schools, with 895 scholars. The most of them are organized into missionary societies.

LITERATURE

I have distributed many tracts, solicited a few subscribers to our periodicals, with this thought in mind: the more our people know about our Church the more they will contribute to its success.

SUMMARY OF THE CHARGES

We are profoundly thankful to our Heavenly Father that the lives of the pastors and their dear ones have been spared. Not one has died during the year.

Clarksville—Rev. E. McDaniel supplied this work. We have about twenty-three members, and a Sunday School of forty-five, and an opening for a good lot.

Durham—Rev. G. D. Dunn supplied this work. Brother Dunn has worked hard and has succeeded very well. He has finished the wood work and plastered the church. There are sixteen members, and a Sunday School of forty-five, and a splendid congregation.

Goldsboro—Rev. W. F. Allen, Pastor. Brother Allen has worked hard to succeed, adding some to the membership. He has more than doubled the collections.

Louisburg—We have no property at this point, though there are some twenty members of our church scattered around there.

Madison—Rev. B. F. Thomas, Pastor. Brother Thomas has done well. Some improvements on the parsonage have been made. His work enjoyed good revivals, adding several to the membership. The collections are in advance of the previous year.

Madison Circuit—Rev. S. A. Gibson, Pastor. Brother Gibson has done well; in fact he is a splendid worker. He paid some on the indebtedness at Pine Hall. His work has enjoyed good revivals. His collections are in advance of last year.

Kinston and Newbern—Rev. C. R. Davidson was appointed to this work, but he did not obey. I visited the work and held an eight-days' meeting there; added three members to the church. Gathered thirty-five children and young people and re-organized the Sunday School; ordered literature, and raised money and insured our church there. So the outlook is encouraging for our work there.

Norfolk and Pleasant Ridge—Rev. A. Clark, Pastor. Brother Clark has worked hard to succeed. He added several to the membership at Pleasant Ridge, and looked after the Sunday School, and added some improvements on the property at Norfolk.

Newport News—Rev. W. B. Scales, Pastor. Brother Scales is a splendid worker. He has paid during the year $132 rent, completed the payment for a lot worth $500, and will report more than a dollar per member for benevolence.

Oberlin and Raleigh—J. M. Roan, Pastor. He has done well; added several to the church, painted the church neatly, and has added some improvements to the parsonage. The collections are in advance of the previous year.

Henderson and Oxford—Rev. W. M. Wells, Pastor. Brother Wells is a splendid and intelligent preacher of the word. He has strengthened the work in Oxford. In fact the work under his administration has enjoyed a year of prosperity. He added quite a number to the membership. The benevolent collections are good.

Rocky Mount—Rev. J. H. Dandridge was appointed to this work, but he left the work the fifteenth of March. I at once supplied the work by Brother W. M. Martin. He has done well. He paid off the indebtedness at Rocky Mount, and added twenty to the membership. He is greatly beloved by all the people.

Bullock and Townsville—Rev. L. G. McDonald, Pastor. The work under his administration has enjoyed prosperity. Good revivals. He added quite a number to the membership. He raised some money at both churches to rebuild.

My prayer is that we all may receive a mighty baptism of the Holy Ghost for revival in the Church.

J. P. FRANKLIN.

WESTERN DISTRICT

M. M. Jones, Presiding Elder

To the President and Members of the Forty-sixth Session of the North Carolina Annual Conference:

Beloved Bishop and Brethren: I am thankful to our Heavenly Father for the gracious providence that has brought us through another Conference year, and permits us to assemble again to transact business for the success of our great Church.

The first thought which comes to my mind is the obligation we are under, to give thanks unto Him in whose hands our breath is, who kindly lengthens out our days, and affords us grace to work out our own salvation with joy unspeakable and full of glory. We especially rejoice in the success which has attended our efforts to build up the Church, both spiritual and temporal, and to extend the borders of our Methodism. It is through the mercy of Almighty God that I have the honor of presenting to you my fourth annual report of the work done, and the present condition of the Western District. Accompanied by the band of loyal Christian ministers committed to my care, by Bishop Isaac W. Joyce, I hastened to my field of labor and began to sow the seeds of righteousness. Our stay upon the field has not been all sunshine. For sometimes we have been upon the mountain top, then in the valley. I have been present at the Quarterly meetings and inquired carefully in every charge after the spiritual and temporal business of the Church. I have endeavored to promote the interest of all of our benevolent causes, and urged the pastors to conform strictly to the provision of the Discipline for the support of the various benevolences of the Church. I have inquired, also, in every charge whether the apportionment for the Episcopal Fund has been paid in accordance with the provision of the Discipline. I have examined the deeds of the church property and find that in most cases they conform to the law and form of Discipline. I have urged that all of the church property be well insured. The indebtedness on the District is much less than last year.

EDUCATION

We realize that Christian education is one of the prime factors in the uplift of any people. We feel that it is our duty as ministers to join the other forces in whatever has as its object the elevation of the masses. We rejoice in the fact that the influence of education is seen and felt in our homes, communities, and churches. We contend that a Christian education is the only education that will give the needed help to our people. Let the educational forces see to it that our boys and girls be trained in the hand, the head, and the heart, and a brighter day will come.

SUNDAY SCHOOL AND EPWORTH LEAGUE

The Sunday School is an institution of great power, and Methodism has had much to do with the development of this great institution. It is well to remember that the suggestion which led Robert Raikes to

organize his first Sunday School came from a Methodist woman, and Wesley approved the plan, and gave it the benefit of his powerful influence. We have on this District fifty-five Sunday Schools, two hundred and seventy-five officers and teachers, 2,515 scholars of all grades. The average attendance has been 1,475. Two-thirds of the Sunday School scholars are old enough to attend public worship in our congregations. Most of the schools run all the year. We use in all of our Sunday Schools the wholesome literature coming from our publishing houses. Closely associated with the work and influence of the Sunday School is that of the Epworth League. This institution of the Church, on the Western District, is one of the agencies that is exerting a vast influence in producing intelligent, consecrated workers for the Master. We have twenty-two Epworth Leagues, three hundred and forty active members, one hundred and thirty associate. Most of the chapters are doing good work.

WOMAN'S HOME MISSIONARY SOCIETY

The Woman's Home Missionary Society maintains an Industrial School and Model Home at Asheville, N. C., and also a model Home at Greensboro, N. C. These Homes are doing a great work in training the young girls who are to be the wives and mothers of the new generation. We have urged the women to look after this society and do their best to aid in this great work.

TEMPERANCE

One of the great evils with which the Church has to contend is the rum-traffic. It is the enemy of everything that is good. It is the source of crime, the inspiration of lawlessness, the foundation of insanity and poverty, the mother of ignorance, the enemy of virtue and morality. We have spent much of our time in preaching and lecturing on temperance. The results have been marvelous. I can never be satisfied with anything less than the entire destruction of the liquor traffic, and I will continue to war against intemperance until our Church and land are free from the curse.

REVIVALS

Gaining souls for Christ and extending the borders of the Church have had close attention. Special efforts have been put forth by our ministers for a revival of religion and in no small degree have they been successful. Hundreds of souls who were bound by the gods of this world have been gathered into the Church. Great spiritual interest has been demonstrated and the spiritual growth among the members of the Church is substantially increasing.

Perhaps I can have you see the field of operation more clearly by a detailed statement of the several charges:

Asheville—Rev. H. L. Ashe has successfully managed the church at this place. The faithful little congregation is working hard to get in their new church. We hope to interest the whole Conference in this important place.

Forest City—Rev. J. W. Wells has managed the affairs of this charge well. The parsonage has been repaired and a nice church built at Brook's Chapel.

Gastonia and Bessemer—This charge has suffered much for want of pastoral care. Soon after Conference the Rev. R. A. Cottingham was transferred to the South Carolina Conference, and it was some time before we could get matters settled. Rev. H. O. Frederick was transferred from the South Carolina Conference and placed in charge of these churches. He has done well under the circumstances.

Hickory—Rev. G. B. McLean has worked hard to make the work a success.

Lenoir—Rev. S. McDonald has the respect and confidence of the people. The parsonage has been repaired and painted.

Machpelah—Rev. G. W. Brower, Pastor. This charge is in good condition. They have built a nice church at Rock Hill, in which they entertained the District Conference.

Newton—Rev. P. F. Johnson. In this charge they have had great success. They have repaired their church, and we now have a nice church at Newton, and a good people.

Patterson—Rev. M. H. Hinton has worked hard with good results.

Shelby and Fallston—Rev. A. S. Cottingham has gone forward with his work, and done good work for the church.

Sherrill's Ford—Rev. Wm. Crawford has made great progress in this charge. They are preparing to build at Little Mountain.

Boone—Rev. J. J. Blanton has done good work in this charge.

Lenoir Circuit—Rev. S. J. Hayden has had success in his charge. Commenced a nice church at Harper Town.

The following supplies have done good work in their charges: J. D. Waddell, B. C. Littlejohn, and G. W. Tate.

Dear Bishop and brethren, I have used every effort possible in discharging the duties assigned me as Presiding Elder. I have the full assurance of the approval of my conscience in submitting this report, and I now wait for further orders.

M. M. JONES.

WILMINGTON DISTRICT

Isaac Wells, Presiding Elder

Dear Bishop and Brethren: I am glad to make my second annual report of the Wilmington District to the North Carolina Conference. I have visited all the charges.

TEMPORAL CONDITION

The District as a whole is in very good shape. Charlotte has begun a new brick church. The parsonage at Roland has been repaired. A parsonage of five rooms has been built at Hamlet. The church at Laurinburg has been completed and electric lights put in. The church at Lumberton has been repaired, and a new church started at New Zion. Some repairs have been made on the church at Maxton. Lumber is on the ground for a new church at Hickory Bend. The church at Wilmington has been repainted. I have tried to see that all the church property was properly insured.

SPIRITUAL CONDITION

All the charges have had good revivals. The brethren have been faithful and loyal and many members have been added to the church.

EDUCATION

The educational interests have been properly put before the people. I have urged the people to send their children to one of our schools that they may receive a Christian education. Many of the young people promise to attend Bennett College this year.

SUNDAY SCHOOLS AND EPWORTH LEAGUE

The Sunday Schools at all the charges are in good condition. I have met all the Sunday Schools on the District and have given them all the encouragement I could. The Epworth League and Sunday School Convention was held at Laurinburg. It was a good one.

Our District Conference was held at Lumberton. All the preachers were present. Dr. J. P. Morris, Presiding Elder Robert Smith, and the Rev. Daniel Brooks visited us. They did us good service.

Yours for the work,

ISAAC WELLS.

WINSTON DISTRICT

Robert Smith, Presiding Elder

Dear Brethren: I feel it a great privilege to report to you the work of the Winston District. We praise God that death has not entered

our ranks this year, and all have been blessed with health. The work is in good condition, and the reports will show an advance in church improvements and benevolent collections. The spiritual condition is good. We have had a large number of conversions and accessions.

EDUCATION

I have kept before the people the need of Christian education. I have lectured on this great subject, urging our young people to prepare for life's work.

SUNDAY SCHOOLS

We have forty-seven Sunday Schools on the District. The most of them are in good condition. Some few go into winter quarters. They all use our literature.

EPWORTH LEAGUE

The Epworth League Convention met in High Point, June 29, 1904. Prof. J. A. McRae was president. I was sick and did not attend the convention, but they reported a very good meeting. About one-half of the chapters are at work.

SUNDAY SCHOOL UNION AND TRACT SOCIETY

The reports of the Sunday School Union show that it is both a home and foreign missionary society, making grants to strengthen the work of our missionaries in foreign lands, and for the development of churches in new communities in the South and West.

But its great work is in relation to the whole of the great body of the Sunday Schools of our Church, now more than thirty-one thousand, with a total membership of nearly three millions. Here, we are sure, lie the opportunities of the Church; and this Society through which the Sunday School work is fostered, should be supported with the utmost cheerfulness and liberality.

We would urge therefore that the Sunday School literature published by our Book Concern be used in all of our schools. We urge also that pastors use their utmost influence when necessary to keep our literature in the schools, and that the presiding elders call particular attention to the enactment of the last General Conference, requiring the question to be asked at the Quarterly Conferences, "Are the Sunday Schools supplied with publications authorized by our Church?"

In general we unite with the corresponding secretary of the Sunday School Union in his desire and effort to bring about a great spiritual quickening in all of our Sunday Schools, and as pastors we pledge ourselves to earnest personal co-operation in this special work.

We are convinced that the Tract Society represents an agency of actual influence, but imperfectly understood by the Church, and of possible power as yet but slightly drawn upon. We believe the Society

should be strengthened so as to enable it to co-operate more efficiently in the work of city evangelization that is now coming to be recognized as being of such urgent importance.

We therefore recommend: (1) That every pastor shall send for a copy of the Report of the Tract Society, and for the catalog of its publications, which may be had without cost; (2) that in all of our churches the collection for the Tract Society be taken and an earnest effort be made to increase the contributions for this cause.

G. W. BROWER,
G. F. HILL,
J. D. MURPHY.

WOMAN'S HOME MISSIONARY SOCIETY

We regard the Woman's Home Missionary Society and its work among the needy to be of no small importance. This Society labors to lift up that class of young people who must be the leaders of the Church and the makers of homes in the coming generation. Therefore, be it

Resolved, That we the ministers of the North Carolina Conference do more to advance this work than ever before.

The Kent Industrial Home, Greensboro, N. C., and the Allen Industrial Home, Asheville, N. C., are examples of the work of this Society. Furthermore the noble women whom we find laboring in every section of the country are also living testimonials to the work that is being done for the poor and uneducated of all races.

Respectfully submitted,
SAMUEL McDONALD,
R. P. HAIRSTON,
W. M. CHAVIS.

BIBLE CAUSE

The Bible, the book of books, undoubtedly excels all other books in the world. Therefore it should be placed in every home, whereby every man, woman, and child might have the opportunity of being fed from the holy word of God. And since the American Bible Society is doing so much toward spreading the word of God all over the world, we feel it our duty to aid in sustaining the good work that is being carried on through this powerful agency.

We recommend that each pastor shall do all in his power to have his people purchase Bibles from the American Bible Society, and to see to it that a collection is taken for the Bible Cause on his charge,

that the cause may be appreciated more extensively in the North Carolina Conference.

Respectfully submitted,

A. S. COTTINGHAM,
J. W. JONES,
A. W. McMASTER.

EPWORTH LEAGUE

The Committee on Epworth League begs to say that we are proud of the rapid growth of the above-named organization. There are more than three thousand chapters, with an aggregate membership of one hundred thousand.

We plead in behalf of the Epworth League because it deals with young people, on whom the future Church depends.

Again, realizing the vital importance of the League, the committee recommends: First, that the pastor and presiding elder in the respective charges of the North Carolina Conference urge the collection of the Epworth League General Expenses; and, secondly, that the Conference be a unit in bringing about a Conference Epworth League the ensuing Conference year.

The Leagues of this Conference are surely in need of inspiration, and it is the judgment of the committee that such a Conference League will be a source of inspiration to the despondent Leagues. It is high time that the leaders of the people ask themselves the question an old sage asked before the coming of Christ, namely, "What shall we teach the young people?" The answer was then as it ought to be now, "Teach them the things they will have to do when they are grown".

The Epworth League should prepare the young people for the work which awaits them when they become men and women.

Respectfully submitted,

R. W. WINCHESTER,
S. F. B. PEACE,
G. B. McLEAN.

PERIODICALS AND CHURCH LITERATURE

Good literature has a wonderful power over the human mind. Its influence in shaping character and determining destiny can not easily be estimated. To many a one the reading of a single book has been the cause of an intellectual regeneration. A new world of thought, of purpose, of possibility, has been revealed to the individual by the thoughtful reading of a good book.

To choose only the best books and papers and to read them with thoughtful care, is to throw about our lives a power beneficent and sublime. With this idea, and with this conception of the right kind of literature, the Methodist Episcopal Church in its early history organized a Book Concern, which has grown to be one of the largest institutions of its kind in the world. It publishes a variety of the best books and periodicals of the age.

Our Sunday School publications are well edited, neatly gotten up, and full of thought and inspiration. We believe they are unequaled by any other publishers. We therefore recommend the exclusive use of our own publications in all of our Sunday Schools.

We further recommend that our preachers use every means possible to introduce books in the homes of our people, published by our Book Concern.

We also recommend that each pastor urge a strict observance of the regulation suggested by the last General Conference, whereby every official member of the church is required to subscribe to some one of our Church papers.

H. L. ASHE,
J. W. WELLS,
R. J. SHIPP.

TOTAL ABSTINENCE AND PROHIBITION

It must be conceded that strong drink and the saloon form one of the most powerful agencies through which Satan destroys the peace of the nation, the sanctity of the home, and the happiness of the souls of men.

Learning also that the power of intemperance with all of its destructive influences is continually on the increase, and is even now corrupting society, and blighting the prospects of true manhood and true womanhood, be it

Resolved, That the members of this Conference pledge themselves not only to endorse temperance societies, but that they be found earnestly working in all organizations and movements which have for their purpose the prohibition of the liquor traffic and total abstinence from strong drink. Be it further

Resolved, That each member of this Conference shall, when in personal conversation, discourage the use of all intoxicating drinks, and the use of tobacco in any form, and whenever and wherever practicable he shall always give his earnest support to the work of the Woman's Christian Temperance Union.

And whereas, on the sixteenth, seventeenth, and eighteenth of November, 1904, the National Anti-Saloon Convention will be held in Columbus, O., for the purpose of devising plans for the destruction of

intemperance, and whereas the railroad companies are to favor the cause by granting reduced rates to and from the convention, we urge that each pastor of this Conference set apart the first Sunday following the convention on which to preach a special temperance sermon.

Respectfully submitted,

J. C. ROBBINS,
R. D. BETHEA,
W. M. CRAWFORD.

CHURCH EXTENSION

We, your Committee on Church Extension, beg leave to submit the following report:

The work of the Church Extension Society is hard to be overestimated, and we feel it our duty to help our people to a higher estimation of its value. Recognizing, therefore, with delight the good record made by this organization, we go out from this Conference determined to do more for it in the future than we have in the past.

The $7,748,781.24 this Society has raised is an amount very encouraging and inspiring to every lover of the work, and especially to those charges which have been benefited. We are thankful to God that we have had some part in raising this great sum.

In view of the fact that this Conference was only asked to raise three hundred and fifty dollars, with the privilege to receive in return for needy churches five hundred and fifty dollars, be it

Resolved, That every member of the Conference be hereby urged to raise every cent of his apportionment, and to do all in his power for the interest of Church Extension on his charge, in order that our Conference may make amends for its present record, and re-establish itself in favor with the Board.

We would heartily recommend to all the brethren "Christianity in Earnest" as a great helper in this work.

Respectfully submitted,

ALEXANDER CLARK,
G. W. BYERS,
S. P. WEST.

STATE OF THE CHURCH

There are in the bounds of the North Carolina Conference one hundred and fifty-two church buildings, erected and dedicated to Almighty God. These churches were built at a cost of one hundred and twenty-two thousand, five hundred and eighty-nine dollars; and we have thirty-five parsonages, built at a cost of twelve thousand, six hundred and sixty-eight dollars.

We have seventy-nine appointments under the fatherly care of five presiding elders and seventy-six self-sacrificing gospel ministers of the Lord Jesus Christ. The salaries of the pastors average about two hundred and ten dollars a year.

Our statistics show that we have forty-one appointments without parsonages, although the records show that improvements are being made at different points, for which the pastors and their people are to be commended.

In these churches we have gathered eleven thousand five hundred and eight members, whose souls are warmed at the fires of the prayer-meetings, the class-meetings, and by the preached gospel every week.

We have some indebtedness, but not beyond control within a reasonable length of time. Statistics show that the debts are rapidly being paid off, and many of our churches are now free from debt.

We further notice that the number of baptized infants is comparatively small, and we recommend that all of our ministers preach special sermons on this important subject, and thus stimulate the parents to do their duty to themselves, to their children, and to their God.

Many of our charges have enjoyed good revivals, and many souls have been saved through faith in Christ.

Notwithstanding all these victories, there is a great unrest among our people. Thousands of them are going North, East, and West. Class legislation, discrimination, small wages, political pressure, and lynch laws have disturbed the peace of our people, and are driving them from the South; and it is to be feared that our people who go away will be lost to our Church. Let us, therefore, act discreetly by urging them to seek the "old Church" in their new situations. Let us keep the Methodist Episcopal Church prominently before our people by giving them a clear conception of its purposes and work. Let us make clear to them Christ's purpose in the gospel commission, and prove to them that the Methodist Episcopal Church is the fulfillment of John's New Jerusalem, which he saw coming down from God, out of heaven.

B. F. THOMAS,
PETER F. JOHNSON,
J. A. LAUGHLIN.

EDUCATION

We, the Committee on Education, most heartily commend the excellent work for higher education which is being accomplished for the Church through the Board of Education.

We specially approve of the emphasis laid upon educational excellence and genuine spirituality as the true ideal for our schools.

We note with satisfaction the report of special gifts to the Board of Education, and unreservedly commend it to the benevolence of our people, particularly those who are able to make large gifts.

We urge that the Children's Day be observed, and a collection taken in every charge according to the Discipline.

During the past year the Board aided students who gave their home residence or church relationship as within the bounds of our Conference to the number of fifteen, and to the amount of four hundred and two dollars. The contribution of our Conference received by the Board was $340.29. Our minutes show a large number of charges not contributing to this fund.

We commend the officers of the Board for their energy in collecting loans, and we urge all beneficiaries within our own Conference to make as prompt payment as possible.

We commend "The Christian Student" to all our people.

We call upon our people to give liberally of their means that our institutions shall everywhere be equal to the best.

We call upon our institutions everywhere to fulfill their high and important ministry in behalf of the church.

We call upon our preachers to redouble their activity in a united effort to send the young people of our Church to our own institutions of learning.

We call upon parents to consecrate their children to Christ and his service and to give them the best education as a preparation for that service, and we call upon our young men and women to give themselves fully to the service of Christ, and to prepare themselves for the greatest usefulness. Our Church needs a thousand new men each year for the ministry alone, and this indeed is a fine opportunity for a career of usefulness. The Head of the Church is calling for the best.

Respectfully submitted,

J. P. MORRIS,
M. MUNDY,
W. R. ZEIGLER.

WOMAN'S FOREIGN MISSIONARY SOCIETY

The General Conference of the Methodist Episcopal Church, seeing the condition and need of the poor women in foreign lands took action. in setting forth an organization known as the Woman's Foreign Missionary Society, to be governed and regulated by its own constitution.

We, your committee, highly endorse the spirit of the noble women and praise the great work being done by them through this society.

Thousands of poor people, who were unnoticed a few years ago, are now brought in touch with God's word through the efforts being put forth by these noble women. Furthermore, we pledge ourselves to

render any service necessary to help carry forward God's word among our poor people beyond the seas.

Respectfully submitted,

W. F. ALLEN,
A. B. McQUEEN,
G. W. BROWER.

AUDITING COMMITTEE

We have examined the Presiding Elder's Records and find them correct.

J. D. CHAVIS,
H. L. ASHE,
A. H. NEWSOME.

FREEDMAN'S AID AND SOUTHERN EDUCATION

It is generally admitted by the careful observer and student of our people that some of our most particular needs are in the matter of intellectual development and Christian training.

It is also plain to us that the Freedman's Aid and Southern Education Society offers exceptional advantages to this end. We believe, therefore, that the work of this society ought to be kept before our people as one of the most important departments of our Church work. Moreover, we should strive to have the people understand their obligations to the society.

The General Committee asks our Conference to raise one thousand dollars a year. During the year ending June 30, 1904, we only reported directly to the office, four hundred and sixty-three dollars. Surely the very least we can afford to do is to raise the reasonable sum of one thousand dollars for this society.

The Corresponding Secretaries have called attention to the following items that should be emphasized in this report, namely:

(1) That the General Committee has withdrawn from the field all special agents and left the whole burden of the work on two Corresponding Secretaries, and the secretaries therefore have strong claims on the pastors in urging them to raise their full apportionment.

(2) "The mission of this society is to every seventh man, woman, and child in this Republic—nine millions of destitute black people and three millions of needy white people of the South." The work, therefore, is related not only to the progress of the Church, but to the very life of the Republic, making the demand for trained Christian workers never so imperative as now.

(3) . . "There were given to the schools, in cash appropriations from the General Fund during the past quadrennium, one hun-

dred and ten thousand six hundred and fifty-eight dollars more than was appropriated for this purpose during the previous quadrennium.''

(4) Our schools are centers of religious power. ''There were nearly seven hundred conversions reported last year.''

(5) Helpful tracts will be sent free of charge to pastors on application.

It is also urged that every pastor shall observe the Lincoln Birthday Sunday, and that it shall take a regular place in the calendar of special yearly observances.

Let us therefore resolve to put forth every effort possible to raise the amounts apportioned to our several charges for this society.

Respectfully submitted,

GEO. W. MOREHEAD,
J. H. LOVELL.

MISSIONS

The Missionary Society of the Methodist Episcopal Church is one of the most important societies of the Church. To our mind it is hard to overestimate the great good being done by this society in the elevating of fallen humanity. We praise God for what it has done and is doing. But for this society our ministry would suffer in a great many places.

We are very glad to note that the North Carolina Conference has made some advance in the collections for this purpose. We believe if this work is properly put before the people every dollar needed can be collected.

We, your Committee on Missions, do request and urge for the society that every preacher in the North Carolina Conference be able to explain what the Missionary Society is doing and preach the same at the proper time, and see that every one gives something to this cause.

We urge that all our Sunday Schools be organized into Missionary Societies, and special training be given to our children along the line of giving. We can find literature at our Book Concern for all purposes, some of which can be had for the asking; and thus we may not only train our children to be good missionaries, but the older members as well.

We urge that the disciplinary plan, paragraph 361, for disseminating missionary literature throughout the Conference, be carried out.

W. W. POPE,
DANIEL BROOKS,
S. M. HANES.

XI. Report of the Woman's Home Missionary Society

The past year has been filled with blessings for which we find cause for much gratitude to our Heavenly Father.

Slowly, but steadily, the Woman's Home Missionary work is advancing within our borders, and we find comfort in the thought that God brings to perfection the wonders of creation by the slow processes of growth and development, and we would learn from these lessons to be patient in doing His work. Our field is a mission field, and our people have not yet learned that "it is more blessed to give than to receive".

Our Conference Anniversary was successful. There were interesting reports from the district presidents and secretaries of the different departments which were very encouraging. The choir, composed of honoraries, gave us some very select music. A report from our delegate to the National was made. Dr. Withrow, of the Washington Conference, addressed the Society in a very pleasing manner.

The district work is better organized, and interesting and profitable meetings are being held on each of the districts.

We are under much obligation to our ministers for their co-operation and interest in the work. We are sure when our people understand this work it will receive their hearty support. The receipts of the year show an increase of two hundred dollars over last year. May the Lord continue to bless our efforts.
